Misplaced or lost license plates and registration decals

The Shawnee Police Department will not complete police reports and provide case numbers involving misplaced or lost license plates and registration decals when there is no crime involved. These incidents do not involve any criminal activity and there is no investigation that can be undertaken.

If a citizen responds to the Shawnee Police Department and reports the lost or misplaced item, we will provide them a copy of this letter to provide to the Department of Motor Vehicles as verification of their visit to the police department.

When there is a verified crime, such as a theft, the Shawnee Police Department will complete the necessary reports and investigate the incident. A case number will be provided to the victims of these reported crimes.

Thank you.
